South Central Power Company will be performing meter testing in your area beginning Monday, November 2, 2015 through November 25, 2015. It is necessary for our contractor **Luthan Metering** to be on your property to inspect meters. There will be no interruption of power during this testing. Their vehicles have a South Central Power Company sign and the contractors have identification verifying they are working on behalf of the cooperative.

Should you have any questions, please contact myself at the number below.

Sincerely,
