## **MOSQUITO CONTROL**

### WHAT THE VILLAGE IS DOING TO PROTECT YOUR FAMILY AND THE COMMUNITY

1. We will be spraying for mosquitoes the week of May 23<sup>rd</sup>
2. The Village will be placing an organic mosquito control tablet into any standing water around the village

### WHAT **YOU** CAN DO TO PROTECT YOURSELF, YOUR FAMILY AND THE COMMUNITY

1. Be aware of peak mosquito hours like early morning and late evening
2. Mosquitoes rest in tall weeds so keep weeds and grass cut short
3. Wear protective clothing - Light-colored clothing is best
4. Keep mosquitoes out of your home by using screens and keeping them repaired
5. Use insect repellents
6. Eliminate standing water in and around your home
