Dear Resident,

The Village recently received a Notice of Violation from the Ohio Environmental Protection Agency. This violation occurred during the Fourth Quarter of 2015 and was issued for failing to monitor or report monitoring results to the Ohio EPA for specific potential contaminants. Our monitoring results for the Third Quarter of 2015 were reported and within acceptable ranges. The monitoring results for First Quarter of 2016 were reported and within acceptable ranges.

A copy of the notice from the Ohio EPA we are required to distribute is enclosed with this letter.

To prevent monitoring violations in the future, I am working with our Village Administrator and new Water Treatment Plant Operator of Record to develop action plans and fail-safes and to revise work-flow processes where appropriate to assure our monitoring is timely. If you have any questions, please do not hesitate to contact me or our Village Administrator, Teri Wise.

Sincerely,

Bradley S. Nicodemus
Mayor
